

## Associate in Arts

# CRIMINAL JUSTICE

CREDITS

### Program Information

The Criminal Justice program explores sociology, criminology and the basics of public administration and government, in addition to introducing liberal arts studies. With course work that explores a variety of academic disciplines and modes of inquiry, students have opportunities to increase self-awareness, interpersonal skills, creativity and civic awareness. Students also are expected to develop frames of reference necessary for critical thinking and problem solving.

Upon successfully completing this program, students should be able to:

- describe three theories of crime causation,
- describe the criminal justice system, and
- describe in detail three criminal justice occupations.

### Transfer of Credits

Criminal Justice graduates may transfer credits to a bachelor's degree program at a four-year college or university. Please direct specific questions to a Student Affairs advisor.

<sup>+</sup> *Students must successfully complete two of the following college-level mathematics courses: MAT 134, MAT 137, MAT 145, MAT 153, MAT 201, MAT 231, MAT 232 or MAT 233.*
